TERRACED TOWNHOUSE IN ESTEPONA

4-story residential building in the heart of Estepona, just 600 meters from the beach. The building has 4 floors, including a top terrace. On the ground floor, there is a large 4-meter-tall garage with an additional mini-apartment-style space and a large, uncovered rear patio. This garage can be converted into a magnificent loft with a separate garage entrance, while the rear patio can be converted into a garage for the building, with a separate entrance from the rear street. It also has an underground water tank (aljibe). On the first floor, there is a good-sized studio apartment. On the second floor, there are two living rooms divided by a beautiful central fireplace, each with a separate terrace, an open-plan American-style kitchen, and a full bathroom with a shower. On the third floor, there are 3 spacious bedrooms, 2 of them with separate terraces and a bathroom with a skylight...
