PENTHOUSE IN ESTEPONA

These properties do not come on the market very often because of the location, the property is a Duplex penthouse, one bedroom and large shower room is on the ground floor, this is great if you have elderly guests, the owner has moved the kitchen into the living room so you have an open plan concept with views to the sea, large living room with a lovely sunny terrace looking out to the garden and to the sea, on the upper level you have two bedrooms, the master bedroom has an en-suite shower room, both have a small terrace and again super views, at the top of the stairs there was a void that has been opened up and this can be used as another sleeping area or as an office space, no expense has been spared and the property is immaculate throughout and beautifully decorated, the development is closed with security gates all around the development, well maintained gardens and communal pool ...
