■■■■■ IN MIJAS

Great Investment opportunity! Authentic Andalusian finca near Mijas Pueblo, offering three bedrooms, two bathrooms, a spacious living room with fireplace, a separate dining area, a fitted kitchen, laundry/utility room, storeroom, a closed garage, various sunny terraces, a patio and a private garden with pool. There is a separate guest apartment with two bedrooms. The house has a south, south-west orientation. The property was built in 1967, has some charm but is a project that needs renovation! Very interesting is that the property comes with a 18.111m² plot. There is the possibility to build stables as you can keep horses here. It is urban land so there is a possibility according to the owner there is a permission to build 12 townhouses on the land. The land is easy accessible and just a few minutes drive to the picturesque white village of Mijas. Must be seen!
